ALL-COUNTY INFORMATION NOTICE NO. I-77-89

TO: ALL COUNTY WELFARE DIRECTORS  
ALL COUNTY GAIN COORDINATORS

SUBJECT: FINAL FEDERAL REGULATIONS REGARDING THE JOB  
OPPORTUNITIES AND BASIC SKILLS (JOBS) TRAINING PROGRAM

Enclosed for your information is a copy of the final Federal JOBS Program regulations, 45 CFR Part 205, et al. These regulations are being sent to you for information only, and no action is required.

We are currently analyzing these final Federal regulations to determine what further legislative and regulatory changes might be necessary to bring the Greater Avenues for Independence (GAIN) Program into conformance with JOBS. Based on a preliminary analysis, we anticipate that some program modifications will be required. However, until we promulgate new regulations, the existing GAIN Program regulations adopted by the Department to implement JOBS on July 1, 1989, remain in effect. We would expect new State regulations no later than July 1, 1990. However, changes related to transitional child care would be required by April 1, 1990.

The second portion of the final Federal JOBS regulations, 45 CFR Part 251, pertaining to program participant employment protection is not included in this letter. These regulations are being developed jointly by the Department of Health and Human Services and the Department of Labor and are not yet available.

If you have any questions concerning this letter, please call your GAIN and Employment Services Operations analyst at (916) 324-6962 or ATSS 454-6962.

  
DENNIS J. BOYLE  
Deputy Director

Coordinators only.
